

Characteristics	Environmental protection IP67 (sealed) Pre-wired option Screw terminals
Electrical ratings	250VAC, max. 10A
Range of temperature	-40°C to +125°C (not roller lever and pre-wired)
Circuit	CO
Contact material	Silver
Mechanical life	Min. 10 ⁶ cycles (impact free actuation)
Dimensions	42 x 24,5 x 16mm
Actuator	Plunger, lever
Approvals	UL, CSA
